## XML File Transfer

abilityJOBS accepts a direct transfer of job posting data from an employer's ATS (applicant tracking system) or career site to [abilityJOBS.com](https://www.abilityjobs.com) job board. Contact [info@abilityjobs.com](mailto:info@abilityjobs.com) for details and specifications.

## Job Scraping

abilityJOBS offers a scrape and post application to pull job posting data from the employer's career site and upload job postings to [abilityJOBS.com](https://abilityjobs.com). abilityJOBS offers this product as-is. ## Resume Access

Employers may search tens of thousands of candidates ranging from entry level to PhDs and from the mailroom to the boardroom. Unlimited packages have no limit to the number of candidate contacts. Unlimited Resume subscriptions may be shared among colleagues at a single company via the main subscription holder's account. For 10 credit packages, A resume credit is used when an employer initiates contact with a candidate in the resume bank and the candidate accepts the contact request. If a job seeker declines or does not respond, resume credit is returned to the employer account.

## Reports

Upon request, abilityJOBS can provide monthly, quarterly or annual job posting reports for unlimited subscriptions. Reports include the number of jobs posted in the specified month(s) and the number of job impressions. For "apply" tracking, employers are encouraged to include tracking tags in the apply links when posting jobs. If the jobs are posted via scrape, tracking tags should be provided to abilityJOBS upon ordering the scrape. Contact [info@abilityjobs.com](mailto:info@abilityjobs.com) with questions.
